

## TMC MM 5.4: TMC MMI Co-ordination and Monitoring Cell

### Introduction:

TMC MMI Co-ordination and Monitoring Cell was established for effective implementation and execution of TMC MM-I Programme in the country and maintaining liaison with ICAR, DAC, CAB, other mini missions and all organizations involved in cotton improvement.. The cell provides all round assistance to the smooth conducting of all projects and has to perform various tasks such as conducting annual review workshop, compiling and printing annual reports on TMC projects, organizing standing committee meetings, distribution of funds to the coordinating centres etc.,

### Objectives:

1. To co-ordinate between centers all over the country for effective implementation of TMC MMI projects.
2. To prepare EFC document including budget and activities for

3. To conduct Standing Committee Meetings and Annual Review Workshops under TMC MMI.,
4. To compile and edit annual reports.

### Performance:

TMC cell organized the seventh meeting of ICAR standing Committee for Technology Mission on Cotton Mini Mission -1 (TMC MM-1) which was held under the Chairmanship of Dr. Mangala Rai, Secretary, DARE and DG, ICAR to review the annual progress of TMC MM-1 programme. The meeting was organized at NASC complex, New Delhi on 12.01.2009. the cell prepared the proceedings of the meeting and circulated among all the members.

The cell also organized the Annual Review Workshop (2008-09) of TMC MM-I at CICR, Nagpur on March 20-21, 2009, which was chaired by Dr. CD. Mayee, Chairman ASRB, New

Delhi and Co-Chaired by Dr. K.C Jain, ADG (CC)ICAR. During the meeting the recommendations of previous annual meeting and standing committee meeting were thoroughly discussed. All the projects were critically reviewed and the recommendations were made based on the deliberations. Proceedings were prepared and approval was obtained from ICAR. Approved proceedings were circulated among all PIs/ CCPIs for effective implementation. The other major tasks performed by the cell during 2008-09 include compilation and printing of TMC MM1 Annual progress report for the year 2007-08. Preparation of revised budgets, distribution of budgets to various Co-operating Centres, regular communication with ICAR regarding the progress of the projects and regular communication with all the cooperating centres.
